

QUIERO LLC

Terms and Conditions

English Version

1. Introduction

These terms of service (the "Terms") constitute a legally binding agreement between you (the "User") and QUIERO LLC, a limited liability company incorporated in the State of Wyoming, United States, with its principal office at 1000 Brickell Avenue, Suite #715 PMB 153, Miami, Florida 33131, United States ("QUIERO", "we", "our"). The Terms govern the purchase and use of our international data plans and prepaid eSIMs (the "Services"). By purchasing an eSIM or using any Service, you agree to these Terms and our Privacy Policy.

We act as authorized resellers of mobile connectivity. The data plans we sell are sourced from a third-party connectivity provider and delivered through the telecommunications networks of local operators. QUIERO is not a network operator and does not assume responsibilities specific to telecommunications service providers.

2. Registration and Purchase

2.1

To purchase an eSIM, you must register on our website or application. The eSIM and data plan are paid on a prepaid basis before activation. By completing the order, you agree to pay all applicable charges for the selected plan, including indirect taxes calculated based on your billing location.

2.2

Once the eSIM is provided, via QR code or download, you are responsible for its safekeeping. If you lose your device or delete the eSIM before consuming the plan, we cannot replace it without additional charge.

2.3

Our data plans may be purchased directly on our website (quierosim.com) or through authorized distributors. When purchasing through a third party, the sales contract is entered into with that third party and not with QUIERO.

3. Activation and Service Use

3.1

The User declares that they have an unlocked device compatible with eSIM technology. Installation and activation may require a stable Internet connection.

3.2

Each data plan has a validity period and a data allowance established at the time of purchase. Once the data is consumed or the period expires, the Service will be considered ended. You may delete the eSIM from your device when the plan has ended; however, we recommend not deleting it before then.

3.3

For plans advertised as "unlimited", the provider's Fair Use Policy will apply, which may temporarily reduce speed or suspend access when consumption negatively affects the network. The Fair Use Policy is detailed on our site and forms an integral part of these Terms.

4. Service Availability

4.1

We will make commercially reasonable efforts to keep the Service available. However, capacity and quality depend on the coverage and availability of our providers' networks. We do not guarantee connection in all locations or service quality. Factors such as maintenance work, lack of coverage, or weather conditions may affect service delivery.

4.2

QUIERO is not responsible for interruptions caused by the User's device, our providers' networks, or events beyond our control (e.g., radio interference, regulatory failures, or acts of third parties).

5. User Obligations

5.1

The User agrees to:

- Use the eSIM in compliance with these Terms and all applicable laws in the country where they are located.
- Not use the eSIM for fraudulent, criminal, or illegal purposes, or for activities that may negatively affect the network.
- Not resell, transfer, or redistribute the eSIM or data plan to third parties beyond what is permitted in their purchase.
- Not use the eSIM to download, send, or upload content of excessive size or frequency, nor to infringe third-party intellectual property rights.

5.2

In the event of non-compliance, we may suspend or cancel the Service without the right to a refund and claim damages if applicable.

6. Payment and Billing

6.1

All eSIMs are sold with upfront payment. Prices include applicable indirect taxes, unless otherwise stated. You may save your payment method for future purchases; if you wish to modify it, you must delete the previous method and register a new one.

6.2

We reserve the right to adjust prices and plan conditions at any time; such changes will not affect purchases already made.

7. Right of Withdrawal and Refunds

7.1

If you purchase an eSIM as a consumer, you have the right to withdraw from the contract within 14 days of purchase, provided the eSIM has not been activated. If withdrawal is requested after activation and the plan has been partially or fully consumed, a proportional refund will be offered. See our Refund Policy for details.

8. Intellectual Property

8.1

Unless otherwise stated, the content on our website, eSIMs, software, and trademarks belong to QUIERO or our licensors. The User does not acquire any intellectual property rights merely by using the eSIM. Unauthorized reproduction, distribution, or use of such content is prohibited.

9. Data Protection

9.1

To provide the Service, we will process your personal data in accordance with our Privacy Policy. By purchasing an eSIM, you agree that we use your information to manage your account, process payments, provide assistance, and comply with legal obligations.

10. Indemnification and Limitation of Liability

10.1

You agree to indemnify and hold harmless QUIERO, its officers, and providers from any claims arising from your use of the Service in breach of these Terms.

10.2

To the extent permitted by law, our liability is limited to the amount paid by you for the data plan in the 12 months prior to the event giving rise to the claim, or USD 100, whichever is greater. We are not responsible for indirect losses, loss of profit, or damages arising from the use of the Service.

11. Governing Law and Jurisdiction

11.1

These Terms are governed by the laws of the State of Wyoming, United States, excluding its conflict of laws rules. Any dispute shall be submitted to the competent courts of said state, without prejudice to the mandatory consumer rights applicable in the User's country of residence.

12. Amendments

12.1

We may modify these Terms to reflect changes in legislation, our practices, or the Service. Updated versions will be published on our website with the effective date. Continued use of the Service after the amendments take effect will be deemed acceptance of the new terms.

13. General

13.1

QUIERO may assign or transfer this agreement to its affiliates or in the context of a restructuring. You may not assign your rights or obligations without our prior written consent.

13.2

If any provision of these Terms is found to be invalid or unenforceable, that provision will be applied to the maximum extent permitted and the remainder will remain in full force.

13.3

Failure to exercise or enforce any right does not constitute a waiver of that right.
